

California Health Sciences University

CHSU AWARDS AND RECOGNITION POLICY

The CHSU values are the inspiration for the awards and recognition that are given out towards the end of the academic year. During the year, students will have the opportunity to nominate student peers who have provided outstanding examples of living the CHSU values in community engagement, leadership, research and peer teaching.

The CHSU Awards and Recognition Committee shall be responsible for administering this process. This Committee will send communications to students at relevant times to seek nominations. Students are encouraged to respond to the communications and to promote this prestigious recognition. This policy provides eligible employees with leave in accordance with California State and Federal laws and CHSU policy. If applicable, state or federal law requires that CHSU offer any leave in a manner that would be more generous to employees than is currently provided in this policy, CHSU will comply with the law.
